

MILA

When standard comes as exclusivity

The **MILA** model is the Slovenian version of the Futura style bottle, well-known for its tall silhouette. This generic model benefits here from the purity and the brilliance of the extra white flint glass of STEKLARNA HRASTNIK, and its great mastery of forming.

MILA is proposed in several versions of size, finish, packing and quality level.

TECHNICAL DATA SHEET

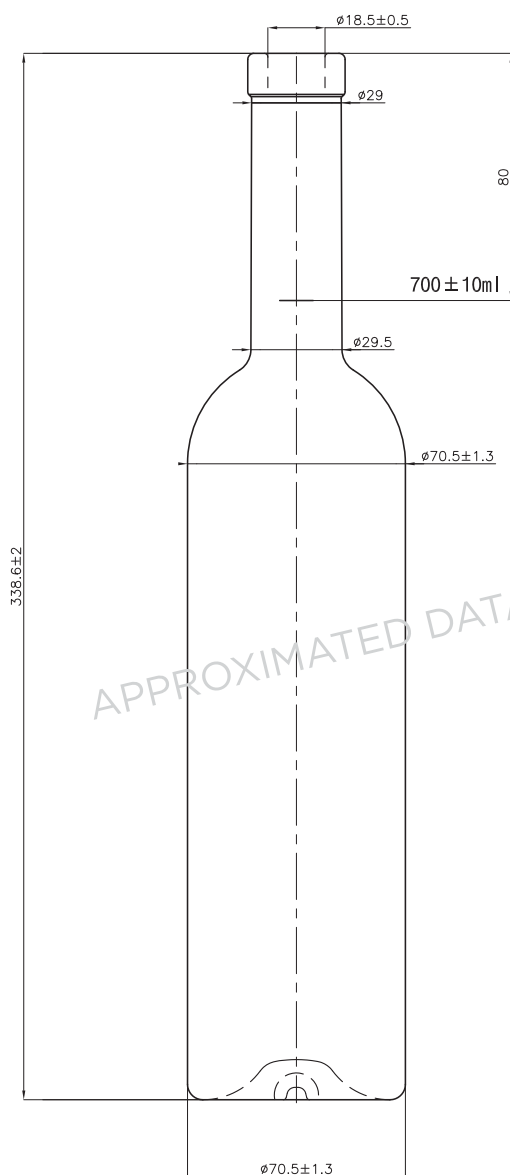

Capacity	700 ml
Weight of glass	560 gr
Finish	F14 (cork stopper) and GPI (screw finish)
Total height	338,6 mm
Body diameter	70,5 mm

PACKING WITH DIVIDERS
