

# GLASS

*that breathes fragrance.*

When glass becomes the first note, it does more than preserve. It reveals. It becomes the silent storyteller of a fragrance, the emotion, memory, and atmosphere.

Designed to be invisible to the eye yet unforgettable, the HRASNİK1860 collection of bottles for home fragrances transcends function. Each bottle is designed to enhance the essence it holds, transforming scent into presence, and presence into experience.

In its purity and precision, glass becomes the bridge between the aroma and a quiet luxury that speaks volumes.

The Vaider Group is dedicated to innovation, sustainability, and customer satisfaction and is driven by more than 160 years of tradition and extensive knowledge of glassmaking—both in the design and manufacturing of glass packaging products. By prioritizing quality, innovative projects, and customer-focused solutions, the Vaider Group is establishing itself as a reliable partner in the glass industry.
