HRASTNIK1860

HRASTNIK1860

## About the company

**GlobalGlass** Holding is a mother company of the renowned glasswork company Hrastnik1860 which is developing and manufacturing world-class engineered glass products, distinguished by some of the clearest glass in the world.

**Hrastnik1860** wide range of products includes **premium and superpremium glass containers** which are primarily dedicated to the spirit, perfumery and cosmetics market. Company also produce glass tableware products.

It focuses on flexible and excellent service, short time to the market and tailor-made solutions. It operates world-wide and has almost **160 years of tradition**.

**HRASTNIK1860**

A glass bottle is the central focus, sitting on a dark, textured surface. In the background, several glowing, molten glass shapes are visible, creating a bokeh effect of warm, orange and yellow light. The overall scene is dimly lit, emphasizing the heat and craftsmanship of the glass-making process.

## *Vision*

To be the most inspiring, most sustainable, and most profitable high-end glass packaging company on the planet.
